DN40 → DN400

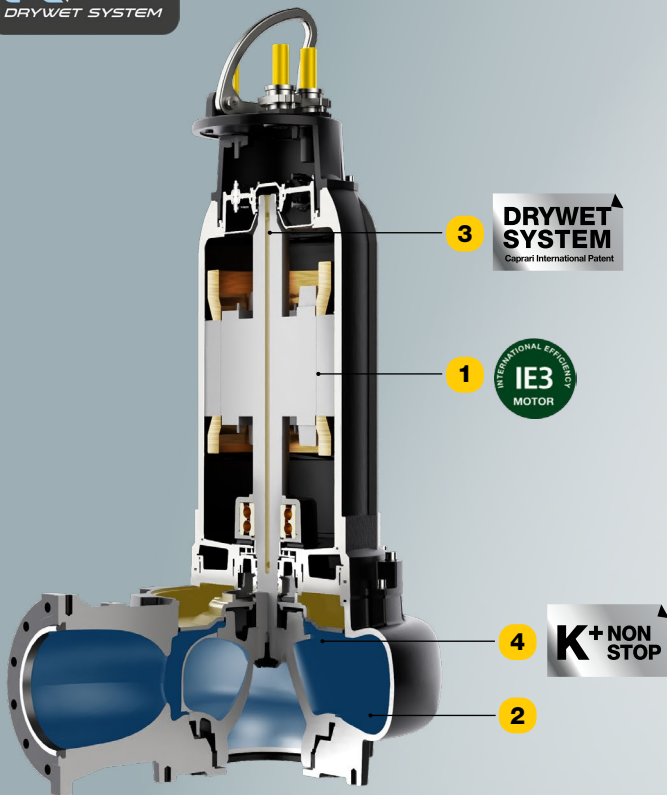

IDEAL FOR

WASTEWATER TRANSPORT

WASTEWATER TREATMENT

INDUSTRY

STORMWATER

WHY CHOOSE K+ ENERGY

1 IE3 ELECTRICAL EFFICENCY CLASS

- High motor efficiency
- Reduced energy costs

2 HIGH-EFFICIENCY HYDRAULICS

- Efficiency above 80%
- Optimized hydraulic profiles

International Patent

3 OIL COOLING SYSTEM

- S1 operation in dry chamber
- Maximum versatility of use

Exclusive

4 ANTI-CLOGGING SYSTEM

- The widest free passages in the market
- Maximum operational safety
