

The table below describes the files that were selected to be included as part of this package.

Supplements, such as Figures and Illustrations, will appear as X number of Figures, X number of Illustrations, etc., rather than naming each one.

MH66309-20230623-CertificateofCompliance
--

This material is provided on behalf of UL LLC (UL Solutions) or any authorized licensee of UL Solutions.

Certificate of Compliance

Certificate Number:

MH66309

Report Reference:

MH66309-20230623

Issue Date:

2024-08-13

Issued to:

Caprari SpA
Via Emilia Ovest 900
Modena MO 41123 Italy

This certificate confirms that representative samples of:

DRINKING WATER SYSTEM COMPONENTS

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

NSF/ANSI/CAN 372 - Drinking Water System Components - Lead Content
NSF/ANSI/CAN 61– 2022, Drinking Water System Components - Health Effects

Additional Information:

See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

David Piecuch
UL Mark Certification Program Manager
